6 Rescued When Boat Upset in Channel Lake Near Fair Oaks Sunday

Antioch Residents Assist In Saving Man and Children

A man and five children were rescued from the waters of Channel lake at Gifford's Fair Oaks about 5 p. m. Sunday after the power boat he was driving upset.

Assisting in the rescue were Mayor James McMillen, Roman Vos, of Antioch and Cappel Radke in whose speedboat they were riding. Rescued were Ray Vogt, Oak Park, his son, James 4, another son, Ray, Jr., 8, a daughter, Joan, 7, Kenneth Russell 11, son of Mr. and Mrs. James Russell, of Fair Oaks, and 12-year-old Carol Coolidge.

Vogt had used the speedboat of his father, a resident of Flossmoor in south Chicago, in giving the children a ride. He was going slowly and suddenly the steering wheel locked and the boat around so that it upset and all were thrown into the water.

Mrs. McMillen in the Radke boat was the first of the party to see the accident and called Mr. Radke's attention to it. He went to the rescue and reached Mr. Vogt and his youngest son first.

"Vogt was having a hard time keeping himself and the boy afloat and once let go of the boy but grabbed him again," said McMillen. He and Vos took the youngster into the boat and tossed Vogt a line which he held until they could get him aboard.

In the meantime the Russell boy, a good swimmer, came aboard also. Mayor McMillen gave much credit for calmness to the 12-year-old Carol Coolidge, a good swimmer, who held 8-year-old Ray on a cushion despite his frantic struggles until help arrived.

A young couple, unidentified, was fishing nearby at the time and they saved the floundering 7-year-old Joan Vogt.

Radke then took 4-year-old Jimmie and 8-year-old Ray who had been cut about the face by broken glass of the windshield to Webb's landing where the Antioch Rescue squad gave first aid and turned them over to a physician.

The Antioch group had attended a birthday party at the home of Mr. and Mrs. Harry Krueger and were being given a ride by Radke when they saw the accident. Also in their boat was Mrs. Helen Gaffey.

Tuttle Re-assigned to Methodist Church Here

The Rev. G. Richard Tuttle was re-assigned to the Antioch Methodist church through Bishop Magee's appointments at the Rock River conference in Oak Park Sunday.

Tuttle is beginning his third year. The local minister was ordained deacon in a class of 23 Sunday. At the same time 14 were ordained elder bringing them into full ministerial status.

Mr. Tuttle has been a student at Garrett Theological school and expects to graduate with a bachelor of divinity degree next June. He will not resume his classes, however, until in January, engaging in independent study in the meantime.

Nickell to be Speaker At Northwest Freedom Festival Arlington Hts.

Springfield, Ill.—June 26, Vernon L. Nickell, state sup't. of public instruction, will be the featured speaker at the Northwest Freedom festival to be presented by Merle Guild Post No. 206 of the American Legion in Recreation Park at Arlington Heights, Ill., on July 4.

Nickell's speech, "The March of Freedom," will climax a five-day celebration of the 174th anniversary of our independence.

Between 15-20,000 persons are expected to attend the July 4th ceremony, during which Nickell will present school medal scholarships awarded annually by the Legion to selected students for after-high school education.

Moose Initiate 18 Last Night

Eighteen new members were initiated into the local Loyal Order of Moose lodge Wednesday evening. A ritual team from the Zion lodge conducted the initiation ceremony. This class of candidates is one of the largest since the organization of the lodge about a year ago.

Moose to Meet Lions on Ball Diamond Tonight

The Moose baseball team will play a game tonight at the high school diamond with members of the Antioch Lions club as opponents. The game will be of the softball variety and will start at 8:30. The Moose team has also scheduled a game with the Waukegan Moose team for Friday evening, June 30. Jos. Gortitz, secretary of the local lodge, urges that rooters be present to cheer the local team.

T. R. Birkhead Accepts Post as Superintendent at Harvey High School

Principal of Antioch Twp. High School to Leave By July 15

T. R. Birkhead has resigned as principal of the Antioch Township High school to become superintendent of the Thornton Township High school and Junior college at Harvey, Ill.

His resignation was made last evening to members of the board of education with whom he met in adopting final plans for the high school building addition.

Principal Birkhead, in taking the new position at considerable advancement in salary and responsibility is returning to the school in which he taught and served as class principal five years before coming to Antioch in 1942.

Thornton is the third largest high school in the state of Illinois outside of Chicago. It has an enrollment of 2,900 with 300 additional students in the Junior college.

The school has a faculty of 128 members and the assisting administrative staff comprises an assistant superintendent, four class principals, dean of boys, dean of girls for the high school and dean of the junior college, together with the supervisor of instruction.

Mr. Birkhead will take up his new duties July 15.

Since coming to Antioch eight years ago, Mr. Birkhead has seen the high school here grow from an enrollment of 214 to 300 and the staff from 14 to 17.

He has established the home room system and improved the cafeteria program. Corrective work has been added in reading, English and mathematics.

Mr. and Mrs. Birkhead both have been active in the community life of Antioch. He has fostered the Cub Scout movement in Antioch and is vice president of the Northwest district of scout executives, serving on the executive board of the North Shore council.

Mrs. Birkhead is quite active in church and church school work of the Methodist church and in 4-H club and Girl Scout work. She is a member of the Antioch Woman's club.

They and their three children, Sue, 14, Ruth 12, and William 11, will be greatly missed here.

Mr. Birkhead said that he is reluctant to leave Antioch in the midst of the building program, but felt that he could not pass up the opportunity for advancement when the position was offered to him. He offered to aid the board in the building program all he can in matters not of record even after he has left the community.

Chicago Firm Now At Work on Plans For H. S. Addn.

The Antioch Township High School Board of Education accepted the final plans for the addition to the high school building at a meeting last night and the firm of architects, Charles Nickle and Associates, of Chicago, has the green light to go ahead with preparation of detailed plans for the addition.

Principal T. R. Birkhead said that about thirty days will be needed to complete the plans and after that time bids would be accepted for the actual construction.

Community Hopes for Fair Weather for July 4 to Entertain Crowds

Resorts Anticipate Big Business, But Most Stores Close

Antioch joined the other communities in the lake region in a hope for fair and warm weather over the weekend and the holiday, July 4, for the benefit of the hundreds of visitors.

While there is a day between Sunday and Independence Day this year, it is believed that many will remain at the lakes from Saturday until Tuesday night.

The resorts are preparing for a big business. More cottages are available this year than last year and the owners are commencing to realize that the postwar tendency for relaxation is tapering off, and they are having to battle for business.

In Antioch only those business places catering to vacationers and pleasure seekers will be open Tuesday, July 4. Some groceries will open during the forenoon to take care of last minute wants, but in general business will be at a standstill.

Chief of Police Walter Scott said that no extra members of the force will be needed to handle traffic on Sunday and the holiday. The Antioch Rescue squad with three men always on duty, will have an extra reserve in event of an increased number of accidents that usually occur where there is much traffic and many persons at the lakes.

It's Against Law Even To Shoot Firecrackers In Illinois, Warning Says

It is no longer a mischievous prank to shoot firecrackers and dangerous fireworks in Illinois. It is definitely against the law. Frank H. Woods, Jr., President of the Illinois Society for the Prevention of Blindness, warned that fireworks accidents are on the increase in Illinois. In 1949 there were 144 accidents, twice as many as in 1948, and 31 eye injuries. Two Illinois youths lost an eye and one man was killed. Supervised public displays such as those promoted by fire departments, the American Legion and other responsible groups reported only three accidents.

Mr. Woods said further that the Illinois law defines illegal fireworks as any which produce an audible effect by explosion, deflagration or detonation.

Sparklers and other devices in which paper caps containing twenty-five hundredths grains or less of explosive compound and toy pistol paper caps which contain less than twenty-hundredths grains of explosive mixture are legal. Even these so-called harmless fireworks must be used with extreme caution.

Parents are urged to keep their children from indiscriminate celebration. Mr. Woods cautioned that a "few burned fingers" may never be replaced. Don't let a firecracker cost your child's sight. Don't encourage delinquency by contributing to breaking of the Illinois "anti-fireworks" law.

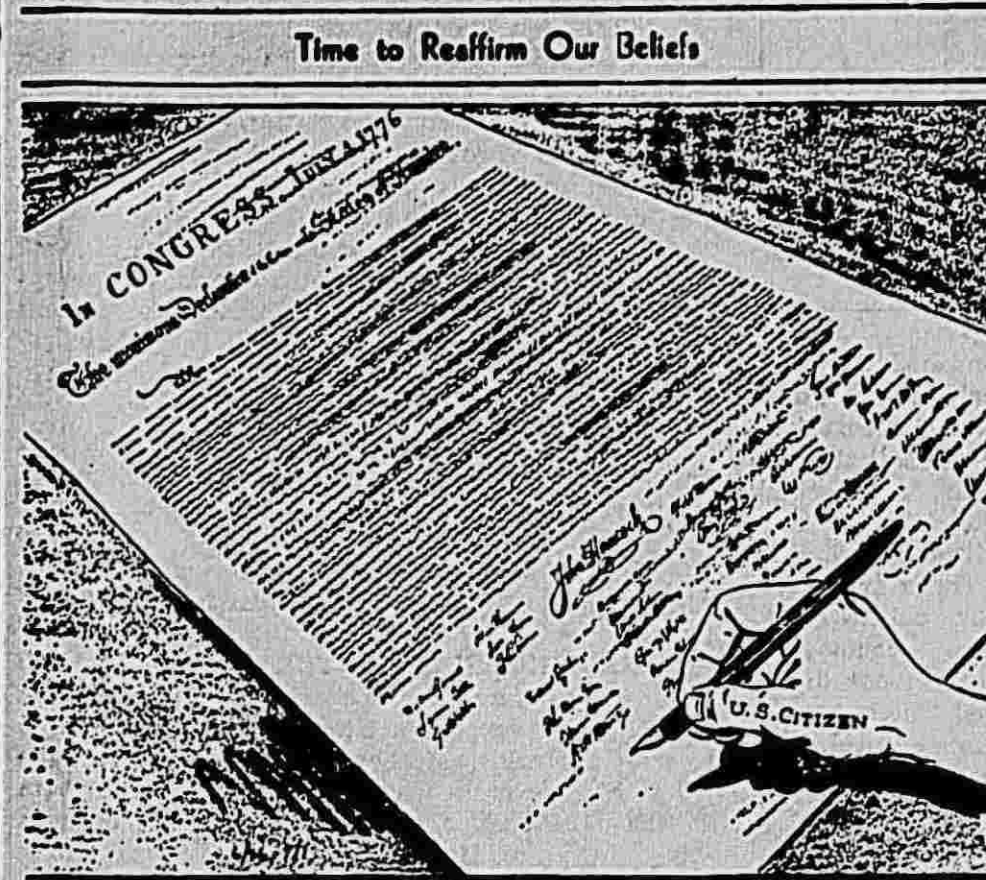

Firemen Help Shultis Celebrate Twenty-Fifth Wedding Anniversary

Assistant Fire Chief and Mrs. Clarence B. Shultis tried to keep as a surprise announcement their twenty-fifth wedding anniversary when they entertained active members of the fire department and their wives Saturday evening at the department's recreation room but without success.

The firemen got wind of it and turned the tables by presenting them 25 silver dollars as a gift. A buffet luncheon was served and other refreshments were served and the evening spent in dancing.

On Sunday after the firemen returned from a call to Cross lake, they kept Assistant Chief Shultis on the truck, got the other trucks and then picked up Mrs. Shultis at her home, taking the two for a ride about the village with sirens blowing in further celebration of the anniversary.

This week was a double anniversary for Mr. Shultis, besides the wedding anniversary on Sunday, June 22 marked the thirtieth anniversary as an active member of the fire department.

Wilmot High District Resumes Original Area Following Referendum

The Wilmot High school district returned to its original size Saturday through a referendum in which the voters decided 1503 to 165 to override the county school committee's earlier order of consolidating the entire territory west of Rte. 41 in Kenosha county not already in a school district.

The separated and original Union Free High school district then held its meeting Monday afternoon and evening setting up a new board.

The six members chosen during the afternoon and functioning that evening were Glen Pacey, Trevor; Irvin Rasch, Randall; and Stanley Stoxen, Bassett, trustees for three years; Ray Loth, Camp Lake and Alfred Fisher, Twin lakes, trustees for two years; and Henry Blerdz, Silver Lake, trustee for one year.

Alfred Oetting, Wilmot, was a holdover member.

The school representatives turned down 333 to 22 the proposal for a new site for the school and will continue to use the present school at Wilmot.

The consolidation of the western part of the county resulted in a squabble over the location of the school when larger quarters were needed.

The county school committee is said to maintain that the referendum Saturday is illegal, but as yet has taken no action.

Officials and patrons of the enlarged district were privileged to attend Monday's meeting but could not vote.

Ruffy Silverstein and Farmer Don Marlin on Round Lake Park Bill

Ruffy Silverstein, one of the top wrestling stars and Farmer Don Marlin, of Niles, Michigan, are paired in the sixty minute main event of Fred Kohler's mat show next Friday night in the Lake County Stadium in Round Lake Park, Ill. The match is to a two out of three fall verdict with a sixty minute time limit.

Farmer Don Marlin is classed with the most colorful of all wrestlers. The Niles, Michigan grappler started his career in the backwoods of Michigan in carnivals. He started wrestling barefooted and wearing sawed off overalls. This style of attire has never been changed by Marlin.

In another star match on the show a tag bout, Tony Olivas, of Mexico, and Gypsy Joe, of the northwest are paired against Jack Carter, of New Zealand and Billy Nickson, of Knoxville, Tenn. Gypsy Joe will be accompanied to the ringside by his wife who always sits in the first row and coaches her husband with secret code signals. Hickson recently arrived in the middlewest and has put new pep into the game. Olivas, teamed with Gypsy Joe is an aggressive and talented wrestler. Joe Gordon and Juan Hernandez, the latter from Mexico are in the opening stanza.

Warns on Illegal Fireworks

Police Chief Walter Scott said there had been some illegal firing of fireworks in the village but not much. He warned that it is not only unlawful to sell firecrackers but to shoot them as well, and those who bring in fireworks from Wisconsin where the law is not the same are subject to the law of Illinois in the village.

Village Board to Meet Friday, July 7 Because of Holiday on Tuesday

Park Av. Undergoes Repair, Village to Prepare 5-Year Plan

Because the time of the next meeting of the village board falls on July 4, Independence Day, the meeting will not be held until the following Friday evening, President James McMillen announced.

Concern of the village officials this week is the sealing and coating of Park ave. The work is being done under the supervision of Trustees Merrill Cunningham and Edgar Simonsen.

Park ave., has been in bad condition and it has been necessary to repair the curb so that water would not overflow into the lawns.

Considered the neediest task, Park ave., will be followed by other street repairs from time to time as money and materials are available. The village is expected to set up a plan covering improvement of the streets during a five year period and submit it to the state for its approval before motor fuel tax will be available.

Weekend Toll of Lives Placed at 28 in Illinois by Chicago Motor Club

The July 4 weekend toll of highway death in Illinois may claim 28 lives, the Chicago Motor Club predicted today.

Estimates based on advance requests for routings, current gas consumption and traffic volumes compared with ten year accident experience, show 875 personal injuries and 850 property damage accidents will result from the Independence Day weekend traffic.

The period included begins 4 p. m. Friday, June 30 and ends midnight, Tuesday, July 4.

The Chicago Motor Club said that in normal ratio 12 of the 28 deaths would probably occur in urban areas and the other 16 on the open roads.

Most of the urban deaths, possibly 7, will be pedestrians.

Past experience also indicates that 12 of the victims will be women. If last year's proportion holds true, half of these will be over age 55, three will be housewives, two of school age and one an infant.

The men victims will include salesmen, truck drivers, students, a newspaper man, a city employee and an itinerant farm worker.

Chicago Motor Club safety experts predicted 24 deaths in Illinois over the five day Memorial week-end this year. The actual count was 25 for the period.

To keep down the predicted traffic toll, the Chicago Motor Club urged the following program for motorists.

1. Start trips early to avoid fatigue, night-driving and necessity of speeding. Two-thirds of all fatal accidents occur at night. Excessive fatigue and high driving speeds invite fatalities.
2. Allow extra margins for driving error, especially in passing or following cars. Control speeds at intersections, railroad crossings bridge approaches and other hazardous points.
3. Condition your car for holiday driving, double checking all safety equipment, particularly brakes, windshield wipers, lights and tires.

Antioch Township Now Eligible for Asst. Supervisor

Township Now Over The 5000 Mark Says 1950 Census

The 1950 census having shown that the population of Antioch township is over the 5,000 mark, the township is now entitled to elect an assistant supervisor with an additional vote in the county board of supervisors. Total enumerated for the township is 5,073 as against 2,708 for the 1940 census, a gain of 2,365 persons who have made their home in the township during the last decade.

Antioch Behind in Gain
The Village of Antioch did not fare so well in population gain, having a total for the 1950 census of only 1301, as against 1098 for the 1940 census. New residences in the village total 188, making a total of 534. This shows that houses in Antioch contain a smaller number of persons than those of any other community in the county.

Frank Kilbane, director of the census for Lake County, said today that this figure will be swelled somewhat by residents who are now in Florida and other states, but that this total will not be known until January of 1951.

Persons connected with the village water department, who come in contact with most residences throughout the village indicate that the 1300 total is very nearly correct.

Legion Carnival to Open Tomorrow at Naber Lots With New Rides, Place

The American Legion will open its annual carnival tomorrow evening for a run extending over July 4.

Two outstanding changes have been made this year. One is the location. The Legion has chosen the Barney Naber grounds between Lake st. and Rte. 173 back of the Kelly tavern instead of the Ackerman grounds.

The second change is the company supplying the rides. This year the Del Rohr Co., of Chicago will provide this service. There will be four rides and about 20 concessions.

The Legionnaires will conduct the beer stand and the women of the Auxiliary unit will have charge of the lunch stand and take tickets. Frank Nedji is chairman of the carnival committee and he has promised that the carnival will be well conducted and that the people will have a good time. He is hoping for fair weather.

Truck Drivers Warned They Must Get Safety Stickers or be Arrested

The State Division of Motor Carriers has issued a warning to truck drivers that if they do not have safety stickers on their trucks they will be arrested.

All trucks were to have been inspected for safety in April and stickers certifying a passing of this test were to have been obtained by May 1. Now, two months later, the state believes truck owners have had ample time to comply with the law.

While the state warned on this safety measure, Lake county truckers meet this week at the Karcher hotel in Waukegan in planning a lobby in the state legislature to fight unfavorable propaganda and taxation.

Chester G. Moore, chairman of the board of directors for the Central Motor Freight association, told the truck owners that they must correct the report that trucks are not paying their share of the upkeep of highways.

Sales of National Tea Co. Increase 11.55 Percent

The sales of National Tea Co., for the four weeks ending June 17, 1950 amounted to \$23,052,759, as compared with \$20,663,361, for the corresponding period of 1949, an increase of 11.55%.

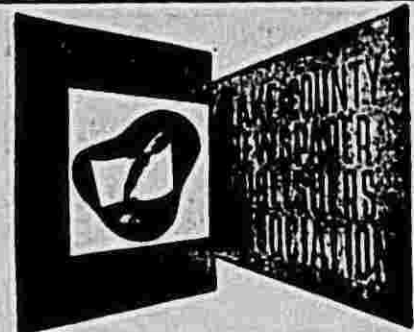

Sales for the year to date amounted to \$136,970,520, as compared with \$125,213,715 in 1949, an increase of 9.39%.

The number of stores in operation decreased from 658 in 1949 to 648 at June 17, 1950.

Economic Highlights

Sumner H. Slichter, the distinguished Harvard economist, is author of the lead article in the June issue of The Atlantic. Called "Our Best Defense," it discusses some of the staggering problems that confront this country today—notably the "cold war," which he believes will continue indefinitely, and which may cause our military expenditures to double by 1960. In one section he writes: "There are three major trends that must be halted or substantially retarded during the next decade if the economy is not to be basically transformed or if it is not to be confronted with grave new problems. These trends are the rapid rise in government expenditures, the rapid spread of government intervention in business, and the drop in the influence of businessmen in the community."

Dr. Slichter points out that in the last 20 years Federal spending has increased thirteen-fold while the dollar value of the output of the nation has increased only about 2.5 times. He suggests a number of specific ways to reduce government expenditures. One is to cut the amounts now being spent to hold up the prices of farm products. Another is to reduce the spending for trade school education for veterans—in many cases, as he observes, the schools and the courses involved are of scant educational value. And still another is to reduce purchasing of real estate mortgages by the government. Of this he says, "In the present fiscal year such purchases are costing about 1.3 billion dollars. There is no reason why private capital should not finance the real estate industry."

Of the second major trend, government intervention in business, Dr. Slichter says that not all of the regulations that have come into being in relatively recent years are bad. But he adds, "If the spread of

government intervention in economic activities continues during the next decade as rapidly as in the last 20 years, the year 1960 will see the United States a far more completely regulated economy than it is today. Can this spread be substantially retarded?" Dr. Slichter seems to think it can, though here he is none too sure. In this connection, he urges that private enterprise, particularly in the real estate field, be as vigorous as possible. He also says, "If employers and trade-unions were to agree on basic rules to govern industrial relations, a considerable withdrawal of government from that field might occur."

Finally, he believes it highly important that businessmen regain some of the influence which they have lost. For businessmen, he writes, "see many problems or aspects of problems that other groups do not see. Hence, they help produce better-balanced and better-informed public policies."

Dr. Slichter's views coincide with those of other thoughtful observers of the age we live in. Not everyone is pleased with current trends and the present policies of the government.

The Country Press Says

WAKEFIELD, MASS., DAILY ITEM: "The late Samuel Gompers probably was the most level-headed and sincere labor leader the country's workers ever had."

"He held that the worst crime an employer could commit against his workers was to fail to make a profit."

FREDERICKSBURG, TEXAS, STANDARD: "Many years before Christ, Plato wrote his Republic in which he advocated a Utopian existence. Though men were to work little, they were to be heavily regulated to become mere wards of the state. Even Plato admitted that such a situation could exist only in Plato's mind or in Heaven."

EUREKA, KAN., HERALD: "Socialized medicine will fix it so that little Johnny will have to wait six months to get an engagement with the dentist. Which, when he hears about it, will make little Johnny in favor of socialized medicine."

IBERIA, MO., SENTINEL: "We know what makes a wild cat wild! For 16 governmental bureaus are working against each other in efforts to save and preserve our wild life!"

CARLSBAD, NEW MEXICO, DAILY CURRENT-ARGUS: "Do you ever get tired of newspapers talking about freedom of the press and free access to news? Perhaps so, and so do we. But eternal vigilance is necessary."

INDIANOLA, MISS., SUNFLOWER TOCSIN: "Our top officials say they will veto any tax cut not accompanied by a corresponding replacement of funds obtained by new or increased taxes elsewhere. No chance for increased efficiency or elimination of sinecures."

his fourth birthday anniversary June 25 with a birthday lawn party at his home on Sunday afternoon and evening. Twelve relatives and friends attended.

Mr. and Mrs. Kenneth McNeil and family spent the weekend with relatives in Houghton, Mich., where they attended the wedding of a sister of Mrs. McNeil. Another sister returned home with them for a visit.

Mrs. Mabel Hanson, from Wilmette spent the weekend at the home of her daughter, Mrs. Rudolph Novy. Mrs. Hansen left Monday for

her home in Ogema, Wis. Mr. and Mrs. George Handley and

daughter, Ann, visited the Wilbur Hunter home Sunday evening.

Antioch, Ill.

ANOTHER STRIKE

AGAINST THE PUBLIC AND INDUSTRY AND AGRICULTURE SERVED BY FIVE WESTERN RAILROADS

President Truman's EMERGENCY BOARD recommends a 40-hour week and a pay increase of 18 cents an hour, or \$1.44 a day for switchmen represented by the Switchmen's Union of North America.

• Notwithstanding the tremendous increase in their expenses involved, the

Railroads' answer to Board is . . .

Union leaders' answer to Board is . . .

In face of Board findings to the contrary, union leaders insist on 48 hours pay for 40 hours work. This would be an average increase of 31 cents an hour, or \$2.48 a day. So Union leaders have called a completely unjustified strike on 5 Western railroads, effective June 25.

On June 15, an Emergency Board appointed by President Truman under the terms of the Railway Labor Act recommended the railroads grant switchmen a 40-hour week and a wage increase of 18 cents an hour, or \$1.44 for an 8-hour day.

Despite the added financial burden involved, the railroads are ready to accept these recommendations, as they have always accepted Emergency Board recommendations on national issues.

But the leaders of the Switchmen's Union refuse to accept! They demand an average increase of 31 CENTS AN HOUR OR \$2.48 A DAY—although their present earnings are substantially higher than those of workers in other industries!

Board Says Demands Unjustified

In its report, the Board declared this demand unjustified by all the evidence presented. It also pointed out that it would give the switchmen an unfair pay advantage over other groups of railroad employees, and would add too great a burden to railroad costs.

Here is another case of a railroad union flouting the findings of an Emergency Board—another case of calling a crippling

strike in an outrageous and reckless attempt to force demands which the Board clearly labels as unjustified!

Leaders of the Switchmen's Union are calling this strike in defiance of the Board—in defiance of the facts—and at the expense of the public!

In its report on this case, the Board made this statement:

"The railroad industry, the Board believes, needs above all else a period of relative stability to adjust and adapt itself to present competitive post-war conditions."

Despite this warning, the leaders of the Switchmen's Union are upsetting the apple-cart—forcing a completely unjustified strike against everybody who uses the railroads.

FIVE WESTERN RAILROADS
AFFECTED BY THE JUNE 25 STRIKE

The five railroads affected by this strike, which goes into effect at 6:00 A.M. local time, Sunday, June 25, 1950, are:

Chicago Great Western Railway Company
Chicago, Rock Island & Pacific Railroad Company
The Denver & Rio Grande Western Railroad Company
Great Northern Railway Company
The Western Pacific Railroad Company

It is time to put an end to such un-American tactics!

The Answer to a Raw Attempt
At Dictatorship is "No!"

In the interest of the public who depend on the railroads every day, there can be only one answer to this outrageous and dictatorial action by the leaders of the Switchmen's Union. And that answer is—"NO!"

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

SOCIETY EVENTS

Holy Name Society Will Have Second Golf Outing

The second of a series of three golf and dinner outings of St. Peter's Holy Name society will be held Wednesday, July 12 at the Chain O' Lakes Country Club.

The first one in June drew such a good attendance and was such a pleasure that the society voted immediately to have similar outings in July and August.

NOTED TENOR TO SING IN METHODIST CHURCH SUNDAY MORNING

Pruth McFarlin, noted young American tenor, will bring a "sermon" in sacred music at the worship service of the Antioch Methodist church at 11 o'clock Sunday morning.

Mr. McFarlin is a protege of the famed Frank LaForge whose pupils include Marian Anderson, Lawrence Tibbett, Richard Crooks and Lilly Pons. He is widely known throughout the Midwest, singing regularly on a Chicago radio station.

Mr. McFarlin, a victim of infantile paralysis, was for two years chosen as leading soloist for the annual American Music Festival. He has appeared with the Grant Park Symphony Orchestra and has been widely hailed by music critics.

A graduate of Southern University at Baton Rouge, La., Mr. McFarlin took special musical study at Eastman School of Music, Rochester, N. Y. A free-will offering for Mr. McFarlin will be taken at the service.

Observe Pledge Sunday

The Sunday morning service of the Antioch Methodist church will also be observed as annual Pledge Sunday. This week a finance letter, a copy of the budget and pledge card went to all members and constituents of the church. Everyone is asked to either bring or send their pledge cards by this Sunday which will begin the new fiscal year of the church.

ORDER OF RAINBOW HONORS RECENT ANTIOCH GRADUATES

Members of the Antioch Assembly, Order of Rainbow for girls, who were graduated from grade or high school recently were honored during the meeting Monday evening at the Masonic temple.

Mrs. Elmer Hunter, past mother advisor of the assembly gave a short talk to the graduates. The prayer at the opening of the service was given by the Rev. Warren C. Henslee.

Refreshments were served at beautifully decorated tables.

The eighth grade graduate was Darlene Lewis, and the high school graduates were Dolly Erickson, June Petersen, Betty Jean McDougall, Betty Terry, Gwen Keating and Nancy Horenberger.

LAKE REGION HOME BUREAU UNIT TO TOUR PORTER'S, IN RACINE

Lake Region Unit of Home Bureau met at the Antioch Scout Home June 21. Mrs. James Kapriva gave the major lesson on "The Selection and Care of Laundry Equipment." Mrs. Leonard Mattson talked on "Stain Removal."

A tour to Porter's in Racine has been planned for the evening of July 12. Members are requested to make their reservations by calling Mrs. James Brusk.

WOMAN'S CLUB BOARD PLANS PROGRAM, SALE

The Antioch Woman's club board met at a dessert luncheon Friday at the home of the president, Mrs. Maurice Radke in discussing the programs for the coming year.

Mrs. Fred Oschmann is program chairman, Mrs. I. L. Breakstone is chairman of the ways and means committee that will hold a home bakery sale July 15 at the Grande Cleaners. Money raised will be used to sponsor the project at Downey hospital.

"Antioch Acorns"

The Antioch Acorns met Monday from 2:00 to 4 p. m., at the home of Mrs. Cary. The sewing class is working on their skirts and scarfs. The cooking class brings cookies that they have made at home. Then after the business meeting is over games are played, and refreshments are served.

Convention in San Francisco
The tenth biennial convention of the National Federation of Business and Professional Women's clubs will be held at the civic auditorium in San Francisco July 3 to 7. Antioch will not have a delegate this year.

The next regular meeting of the Antioch No. 1 4-H Club will be held July 5, at 8 o'clock p. m. at the home of Albert Berkli. The lesson will be a demonstration on preparing dairy cattle and poultry for exhibition at fairs.

Mr. and Mrs. Joseph Shields, of Philadelphia, Pennsylvania, spent last week with Mr. and Mrs. George Grunow and family. Mrs. Grunow accompanied them to Philadelphia, where she will spend sometime visiting.

Presides at Grand Assembly Order of Rainbow

Miss June Hunter, Grand Worthy Advisor, will climax term of office in Chicago meeting this week after a tour of all units in Illinois. Three assemblies were added under her leadership.

Mrs. Wm. MacGowan

William Nelson MacGowan, Jr., Santa Ana, Calif., grandson of Harry L. Warner of Antioch, took as his bride on Friday, June 23, Miss Marilyn Julia Woods, daughter of Mrs. George Campbell Woods, Hollywood, Calif. The wedding took place at the Hollywood Congregational church with the Rev. Mueller officiating. A reception in the Mayflower room of the church followed.

MISS MARILYN JULIA WOODS

Mr. and Mrs. MacGowan will reside at 306 So. Bay Front, Balboa Island, Calif.

Mrs. MacGowan was graduated from the University of Southern California and was a member of the Alpha Tau Omega fraternity. His bride is a graduate of UCLA and is a member of Delta Gamma sorority. They graduated in June.

Mrs. Al Swenson, who recently underwent a major operation at Victory Memorial hospital, Waukegan, came home Monday and is convalescing at her home near Antioch.

MYF MEMBERS START TRIP TO SUMMER CAMP THIS SUNDAY

The largest group of young people in many years have registered from the Antioch Methodist church to attend summer camp at Lake Geneva. Twenty members of the Methodist Youth Fellowship will attend the three camps to be held during the month of July at Conference Point on Lake Geneva.

The first group of high school young people will leave the church at 2 p. m. Sunday registering for an entire week at the camp which will include a busy daily program of worship, discussions, swimming, boating, recreation, group singing, evening campfires, fellowship and inspiration.

Those attending the first camp from the Antioch church include Sylvia Beelow, Marlene Wertz, Doris Petersen, Gail Deltrick, Nancy Thompson and Mary Lou Wilton.

The next group will leave Antioch a week from Sunday and will include a large group of Intermediate young people.

Mrs. Louise Thomas, of Park ave., left Tuesday for a visit with Mr. and Mrs. J. Van Alphen, Albany, and New York City she expects to visit her sister, Mrs. Rose Meyer, in Baltimore.

Mr. and Mrs. Sam Berg, of Marinette, Wisconsin, spent last week with their aunt and uncle, Mr. and Mrs. Ben Miller.

Mr. and Mrs. Irving Elms attended funeral services for their aunt, Mrs. August Hottinger, held at St. Alphonsus church in Chicago, Monday.

A regular business meeting of the Methodist Woman's Society will be held at 1:30 p. m. at the church. Mrs. B. G. Guillaume will lead the devotion, Mrs. Robert Cary will talk on the subject "A Story of Israel." Mrs. Roy Kufalk is chairman of the luncheon to be served following the business meeting.

nesday from 2 to 4 and 7 to 8.

Miss June Spanggard Bride of K. Krueger

The marriage of Miss June Spanggard, daughter of Mr. and Mrs. Frank Spanggard, to Kenneth Krueger, son of Mr. and Mrs. Harry J. Krueger of Peoria, took place on the 24th of June in the chapel at Lake Forest College with the Rev. G. Richard Tuttle officiating. The bride's father gave her in marriage.

June wore a gown of white organdy over shell pink satin with nylon net yoke. Her fingertip veil was held in place by a hood of satin and seed pearls, and she carried a bouquet of gladiolus and stephanotis.

Maid of honor Miss Gloria Jacobson, of Chicago, wore a gown of white organdy and carried a spray of gladiolus. In white organdy frocks were the bridesmaids, Mrs. Morton Hotchkiss, Louise York, Virginia Holmes and Dorothy Scott, they carried pink gladiolus. Robert Higginson, of Chicago, carried the rings. Hilda Van Holwede and Mary Jane Jensen in white organdy served as flower girls.

MISS JUNE SPANGGARD

Harry Krueger was his brother's best man. Ushers were Clyde Jones, Don Bratrude, Gene Ratay and William Sheehan.

Mrs. Ruth Dahbo was organist and Warren Heyne, baritone, sang "Beloved It Is Morn" and "The Lord's Prayer". The reception was held at the Deerpath Inn.

Mrs. Krueger is a graduate of Antioch Township High school, of the National College of Education and for the past two years attended Lake Forest College. Mr. Krueger is a graduate of Antioch Township high school and a graduate of Northwestern. The young couple are now on a wedding trip to Colorado, on their return will make their home at Park Forest, Illinois.

ANTIOCH ACES 4-H HOLD MEETING TUES.

The Antioch Aces 4-H club met at the Scout home Tuesday, June 20. Members answered roll call. A report on "Keeping Fit Day" was given by Mary Herman, Nancy Sheehan, Marlene Wertz, Doris Petersen, Shirley Nelson, Mary Herman, Suzanne Birkhead, Ruth Birkhead, Nancy Rentner and Sue Wolfenbarger attended the meeting at Grayslake, June 22.

Plans for a club picnic the next meeting were made. Miss June Kutil, County Youth Advisor of the Lake County Home Bureau, was a guest of the club for the afternoon. The program included a talk, "The Story of the Student Prince and the life of Sigmund Romberg," by Gretchen Biel. A talk on "How to Wash Cordoroy" by Patsy Keulman. A demonstration "Needle and Thread Sizes," Ruth Birkhead; a demonstration "Sewing on Fastenings" by Nancy Rentner; "Bias Bindings" by Kathy Kennedy; and a demonstration "Making a salad for an outdoor meal" by Ruth Kufalk.

Mary Herman, Shirley Nelson and Suzanne Birkhead played "Deep In My Heart" from the Student Prince. After recreation, refreshments were served by Gretchen Biel, Lynn Rider and Judy Shepherd.

Card of Thanks

I want to thank everyone for being so kind and also for the cards and flowers sent at the loss of my brother.

Mrs. Charles Jorgensen and family

Card of Thanks

To the many friends, neighbors and relatives who helped so much with flowers, cards, cars, food and memorial contributions, the family of the late Charles Hamlin expresses heartfelt thanks.

Card of Thanks

I wish to thank all of my friends for the cards and gifts and for the many acts of kindness shown me while I was ill in the hospital.

Ed Turner
Lake Villa

Card of Thanks

We wish to thank all of our friends and neighbors for the many acts of kindness and sympathy shown during our recent bereavement.

Frank and Barbara Renje and family

Antioch V.F.W. Team Wins 10-6 from United Cleaners, of Kenosha

Base hits were the order of the day as the Antioch V. F. W. whipped the United Cleaners of Kenosha by a 10-6 count last Sunday. The victory was the Vets second in a row and brought their league slate up to the 500 mark.

Each team collected thirteen singles including three doubles, however, the home team's home run punch proved the deciding factor. Dick Scott, Ed Palenski and Bernie Schneider all connected for circuit clouts. Schneider's blow, a long, long drive to center field, came with two men on base. Palenski came with one man on while the bags were empty when Scott hit his four bagger.

Ray Bushing was once again on the bill for Antioch and hurled his third straight victory. He was touched for thirteen hits was effective in the clutch striking out six men and picking one man off first base. The fifth was his only bad inning, as he yielded three hits and a walk good for three runs.

The Bonofiglio Brothers were Kenosha's top performers. Maurio collected two doubles, one of which drove in two runs. Vince slapped a single in the big fifth to drive in one run and pitched two good innings of relief.

Antioch took its initial lead in the second inning as Crandall singled, took second on Fox's ground out and scored on Ray Wells' ground single to right. The Cleaners however, quickly tied the score at 1-1 in the third on a scratch hit by King, an error, and a single by Hunt.

The Kenoshamen went ahead in the fifth for the only time in the ball game. They gathered three runs on a single by Schwartz, a walk to Piehl, a single by V. Bonofiglio and a double by M. Bonofiglio.

Antioch came roaring back in their half of the fifth with a five run blast. Ray Scott started the festivities by beating out a slow roller to short. Bushing lined a double down the left field line. Scott scoring, Palenski was safe when Schwartz fumbled his ground ball. Schneider then swatted a long home run to center, Bushing and Palenski scoring ahead of him. Dick Scott then rapped a double to left center and rode home on Jack Crandall's line single to right.

The Cleaners tied the score at 6-6 with two runs in the sixth but the V. F. W. came back with two runs in their half of the inning, when Palenski homered with Bushing aboard. Antioch picked up insurance runs in the seventh and eighth innings to make the final tally 10-6.

Next Sunday Antioch entertains the league leading, Burlington Legion. In the first game of the season Antioch dealt Burlington its only defeat of the current season so the battle of the year is anticipated. Bleachers have now been erected for the fans convenience. All players wearing spiked shoes are requested to remain off the bleachers at all times.

Heavy Rains Catch Local Farmers With Their Plants Down

Torrents of rain, which have poured down nearly every day this week, are causing local farmers considerable trouble in the hay harvest, which is now at the peak. According to some of the farmers, hay crops must be garnered when the time is right, or the plants wither and die to be replaced with a new growth.

Rains, which make it impossible to properly harvest the crop, will undoubtedly make it impossible to harvest the customary three growths, and limit it to two for this year.

Travel Facilities Get Special Study for New Report to Car Drivers

An inspection of travel facilities in Illinois and Indiana is under way, Chas. M. Hayes, president of the Chicago Motor Club reported today.

The A. A. A. field survey will cover points of interest, travel accommodations and highway conditions in the two states. A field reporter will be in charge of the work.

"After extensive classroom and road training a field reporter becomes a trained road scout who travels over the main traveled highways," said Hayes. "He covers 50,000 miles each year and provides detailed information about each mile. He checks road mileage, conditions of road surface, road width, density of traffic and other factors that will help motorists in their selection of routes."

Among a field reporter's other tasks is the examination of thousands of hotels, motor courts, restaurants and other accommodations. Many get no more than a casual glance, but the more promising ones are subjected to a thorough inspection. In addition to reporting on the number of rooms, and baths, rates and other details, the reporter evaluates the quality, appearance, equipment, maintenance, cleanliness and atmosphere of each place. "A traveler's atmosphere" includes such intangibles as friendliness, courtesy and the over-all reception given a traveler.

With highway travel at a record peak throughout the country the task of checking and re-checking roads and travel accommodations is important. Today's travelers don't want to travel; they want to travel in comfort.

SGT. R. E. BROOKS HOME ON FURLOUGH

Sgt. Robert E. Brooks of the U. S. Air Force returned home recently after 18 months spent in Okinawa, and Tokyo, Japan, and is spending a 30 day furlough with his parents, Mr. and Mrs. Harvey Brooks, of Lake Villa, after which he will return to March Field, Riverside, California.

Mr. and Mrs. Arthur Cook spent the weekend in Northern Wisconsin. Mr. and Mrs. C. V. Cook spent the weekend at the Arthur Cook home during their absence.

Mr. and Mrs. Robert Imrie and Mr. Frank Johnson left Sunday for a few days visit at Stone Lake with Mr. and Mrs. Orville Riggs.

Mr. and Mrs. Elmer Harinell are the proud parents of a boy, Thomas Kuth, born June 25 at St. Theresa hospital at Waukegan.

Mr. and Mrs. Cecil Ellipse and family are spending their vacation in Minnesota visiting relatives.

Mrs. Arthur Bloss, Mrs. Charlotte Bloss and Mrs. Robert Patrick spent Monday in Milwaukee.

Mrs. Cora Newell, of Burlington, spent Sunday with Mr. and Mrs. David Elfers.

Jane Mulch, of Lyons, has returned home after spending the past week with the Alfred Schmidt family.

Mr. and Mrs. E. H. Hartnell spent Thursday in Milwaukee.

Mrs. Nellie Head, of Antioch, spent several days the past week with Mrs. Charlotte Bloss.

Mr. and Mrs. Robert Patrick entertained for dinner Tuesday evening Mr. and Mrs. Robert Imrie and Mr. and Mrs. Byron Patrick.

Mr. and Mrs. Robert Patrick entertained Saturday evening for Mr. and Mrs. John Merth and Mr. and Mrs. Jewel, of Salem Oaks.

Rev. and Mrs. Hulse and children are enjoying a week's vacation visiting relatives in Indiana.

Mr. and Mrs. Milton Patrick visited Sunday at the Byron Patrick home.

Ralph Green, son of Mr. and Mrs. Edw. Green, is confined to home due to illness.

Crowned Festival Queen

Miss Carolyn Nelson, daughter of Karl and Ina Nelson, of Los Angeles, Calif., and great niece of Mrs. L. R. Van Patten, Sr., Antioch, was crowned queen of the midsummer festival of the Los Angeles Swedish colony Saturday, June 24.

(Amos Carr Studio-Hollywood)
MISS CAROLYN NELSON

The crowning took place during a 12-hour program which was witnessed by 10,000 persons at Sycamore Grove. She was attended by Miss Marie Ohlund, who represented Columbia and Miss Betty Ann Oberg, who was Svea.

Miss Nelson, native Californian, is a student at Los Angeles city college. She and her parents visited in Antioch three years ago this July and met many Antioch people. She is the great granddaughter of the late J. R. Cribb.

Attend the State Judging Contest

A group of eleven boys and Mr. Wickert, the vocational Agriculture teacher at the high school, attended the state judging contest at Urbana June 13. The boys, who attended the contest and the teams they represented are: Donald Schultz, Richard Raether and William Poulsen, the members of the grain team; Gordon Wells and Jack Chope, the members of the poultry team; Albert Berkell, George Swenson and Benno Freund, the members of the Dairy team; Richard Walberg, Robert Misiek and Gordon Heuer, the members of the fat stock team; Robert Seekatz was to be a member of the grain team but was unable to make the trip because of illness.

The results from the contest will not be announced until later in the summer.

Firemen Go To Cross Lake

The Antioch fire department was called to the Elwood cottage, Cepek subdivision, Cross Lake at 12:35 Sunday afternoon where a short in electrical wiring and had set fire to the floor joists. The fire was extinguished by neighbors, however, before the department arrived.

Bog Blown to New Site

During the wind storm Sunday night a floating bog about the size of a city block floated out and stuck to a steel pier at Beach Grove, Lake Marie.

Brazilian Lumber Arrives for Local Concern

The cargo of Brazilian Araucaria lumber imported for the Antioch Lumber and Coal Company has arrived in Antioch. This, the finest of all lumber will be placed on sale soon after arrival. The material has beautiful color gradations which are incomparable for cabinet, paneling or interior use. Used in its natural colors the material offers a wide variety of uses. This material also varnishes or paints well, not requiring any filler or primary preparation. The lumber has been surfaced and thoroughly kiln dried in this country. The material is very strong and due to excellent texture processes easily.

Be sure to see this Aristocrat of all lumber.

LAKE VILLA

The Woman's Society of Christian Service will hold its regular quarterly pot luck birthday dinner on Wednesday, July 5, with Mrs. Paul Avery, Sr., at her home at Cedar Lake, to celebrate the April, May and June birthdays of members and friends and visitors are very welcome. On Friday, July 7, the ladies will hold their annual summer sale in connection with a Bowman Dairy luncheon to begin promptly at noon. This will be followed by the sale and a public card party and promises to be a very pleasant occasion so plan to be there.

A very pleasant family gathering of the Walker and Boehm families was held at the John Walker home last Sunday with more than 100 present from Chicago, Waukegan, Antioch and surrounding territory. A picnic dinner was served on the spacious lawn and as usual, Kenneth Hart presided at the out door fireplace where wieners were roasted. Mrs. Walker's mother, Mrs. Boehm was present, making a four generation group and Mrs. James McDonald, a Walker relative was present from New York. The group was well entertained by the musical talent of the group during the day.

Mr. and Mrs. Joe Nader, Sr., and daughter, Marlene, also Mr. and Mrs. Charles Britton left Saturday to spend until Monday at a cottage at Chetek, Wis.

Mr. and Mrs. William Schneider, who have been living at Chippewa Falls, for a few months, came Saturday and moved their household goods to the new home they have recently built. They visited Mrs.

Schneider's mother, Mrs. Anna Nader and other relatives. Mr. and Mrs. Joe Petru, Mr. and Mrs. John Petru and Miss Ann Petru, all of Cicero, were guests of their cousin, Mrs. Marie Hamlin on Sunday, a week ago.

Mrs. Harry Weber returned home last week from Victory Memorial hospital where she was a surgical patient.

Mr. and Mrs. Henry Bennecke are receiving congratulations on the

birth of their second daughter last Saturday, June 24. Mr. Bennecke is organist at the Community church. Mr. and Mrs. Elroy Balfanz were called to Cicero, last week by the death of Mr. Balfanz' father.

Mrs. Wm. Sullivan and son, Pat, of Chicago, who formerly lived at the Reynold's estate, called on friends here last Sunday.

Mr. and Mrs. Charles Bennecke, who are located at Miami, Fla., sent for their household goods, which

had been stored at the home of Mrs. Daisy Riney.

Mrs. Lulu Nelson, who has been visiting her cousin, Miss Eula McCracken in Chicago, fell on the pavement last week and suffered severe bruises, so is making a longer stay than she intended.

Mrs. Don Summers and children have returned from Tennessee, where she has been with her mother, who underwent surgery and is improving.

Mrs. Martha Madsen, accompanied by her sister, from Kenosha, left last Friday by bus for a vacation trip to Yellowstone Park and other interesting places in the West, to be gone about three weeks.

Bobby Hamlin, Paul Mattson and eight boys from the Baptist home left last Wednesday night for a two weeks stay at Camp Ma-Ka-Ja-Wan near Pearson, Wis. They went by

cars, accompanied by John Severs, and John Eder.

F. R. Sherwood, of Chicago, spent a few days last week at the Delbert Sherwood home and attended the funeral services of Charles Hamlin.

Winsor Dalgard, of the Dalgard grocery and market has been unable to attend to some of his regular duties at the store during the past week, and we hope to report his recovery soon.

Takes it easy all the time!

Prestomatic Fluid Drive Transmission consists of three compact units . . . a gear Fluid Drive, the Safety Clutch and Prestomatic Transmission. Each unit is designed with a minimum of moving parts, and each unit is ruggedly built to give trouble-free service for the lifetime of the car.

Make no mistake! Although most cars use the Fluid Drive principle that Chrysler first introduced 12 years ago—there's an all-important difference in automatic gear shifting today! Chrysler and only Chrysler gives you full control of your car. While others shift you up and down—even when you don't want to shift—Chrysler's simple, cool-running transmission takes its orders from you. Even at 12 miles an hour, in slow moving traffic, you're in high while others shift down to lower gears. How much quieter your engine runs! How much more smoothly! What a difference in high-gear economy! Come see what Fluid Drive does for you! Examine Chrysler workmanship . . . compare the quality of materials . . . discover the benefits of Chrysler engineering! You'll find built-in value all the way through that has no equal! Extra money's worth, we're sure, that will make you a Chrysler buyer for life!

THE NEW YORKER 4-DOOR SEDAN

See it—drive it . . . there's built-in value all the way through!

Advantages of Chrysler's
Fluid DriveAdvantages of Chrysler's
High Compression
Spitfire Engine!Chrysler's Advantages
In Comfort and Safety

Automatic Gear Shifting—with full control of your car! Better traction—safety on slippery roads. Convenience of clutch for easier parking. Slower Engine Speeds—reduced noise, wear. Saves gasoline! Drive in high while others drive in low in traffic.

Waterproof Ignition—prevents stalling in rain or high water! Lubricated Cylinder Walls—chemical protection for increased life. Flooding Power—helps eliminate vibration. Superfinished Parts—reduce friction, last longer. Exhaust Valve Seat Inserts—reduce need for valve grinding! Full Flow Oil Filter—keeps oil clean!

Functional Design—full room for your head, legs, shoulders. Easy to enter and leave! Safe Guard Hydraulic Brakes—smoother stops, less pedal pressure. Cyclebonded linings for double the wear. Electrically Operated Windshield Wiper—constant speed all the time! Chair Height Seats—no crouching, you sit naturally! Safety Rim Wheels—won't throw tires after blowouts at normal speeds.

ANTIOCH SERVICENTER, Route 21 & 173, Antioch, Illinois

Keep Wool Clean
Clean wool brings the highest price on the market. W. B. Connell, extension livestock specialist of the Pennsylvania State College, urges shepherds to shear on a clean, dry surface and to keep all trash out of the fleeces. Shear only when the wool is dry and tie the fleeces with paper twine.

"Nothing to Wear"
If you "haven't a thing to wear" you are no worse off than many people in the world less than 200 years ago. Until the last century or two many persons never had a new garment in their lives. Except among the rich, the idea of "changing clothes" was unheard of, for no one had more than one outfit.

FACT and SCRIPTURE

Life with Christ is an endless hope; without Him it is a hopeless end!

"So are the paths of all that forget God; and the hypocrites hope shall perish: whose hope shall be cut off, and whose trust shall be a spider's web."
Job 8:13 and 14.

"For men verily swear by the greater: and an oath for confirmation is to them an end of all strife."

Wherein God, willing more abundantly to show unto the heirs of promise the immutability of his counsel, confirmed it by an oath:

That by two immutable things, in which it was impossible for God to lie, we might have a strong consolation, who have fled for refuge to lay hold upon the hope set before us:

Which hope we have as an anchor of the soul, both sure and steadfast,
Heb. 6:16-19

OUR DEMOCRACY—by Mat

JULY FOURTH

THAT BOLD SCRIPT IS THE HANDWRITING OF ONE OF THE SIGNERS OF THE DECLARATION OF INDEPENDENCE, WHO WROTE IT THAT WAY SO EVEN KING GEORGE III COULD READ IT WITHOUT SPECTACLES.

NOW, 174 YEARS LATER, THE VALIDITY OF THE PRINCIPLES OF THAT FAMOUS DECLARATION ON WHICH OUR WAY OF LIFE WAS FOUND MEETS WITH A WORLD-WIDE CHALLENGE FROM TOTALITARIANISM.

IN THE SPIRIT OF THE SIGNERS, LET US, BEFORE ALL THE WORLD, REDEDICATE OURSELVES TO THE CAUSE OF FREE MEN AND INDEPENDENCE AND—LIKE JOHN HANCOCK—ASSERT OUR POSITION IN WORDS SO BOLD AND CLEAR THAT EVEN THE BLINDEST OF DICTATORS CAN READ THEM WITHOUT SPECTACLES.

Hidden Wealth
News of important discoveries of rich copper-bearing ores in the Province of Ontario, Canada, began to be circulated in 1883. Little did those prospectors realize that those copper-bearing ores also contained huge quantities of nickel as well as platinum metals, gold, silver, selenium, tellurium and cobalt.

Precious Alloys
For jewelry platinum, hardened with 5 to 10 per cent iridium or five per cent ruthenium or palladium with five per cent ruthenium, is generally employed in the United States. Such tarnish-resistant alloys have very satisfactory mechanical properties, too.

Man Gives Away \$350,000 To Make Friends 'Happy'

AURORA, ILL. — James Powell, 74, a retired real estate and insurance man, decided to make his friends happy while he was still alive. So, he dealt out \$350,000 to them.

He tried to make the gifts, which ranged from \$100 to \$50,000 anonymous, urging that he be identified only as "an unknown soldier marching away."

He requested that his name not be made public because he did "not want it to appear that I am doing what I am doing to gain publicity or glory."

But the gifts were too many to too many persons for the secret to be kept long. His name got out and several of his beneficiaries confirmed it.

Powell turned over \$25,000 to Mayor Lloyd H. Markel, asking that the city start a fund for a municipal auditorium. The money is to be deposited with the city treasurer for use when needed.

The sum of \$50,000 was given to Superintendent K. D. Waldo of East high school for a new building or an annex or school equipment.

Gifts of \$100 to \$10,000 were given to various individuals. He said they were persons "who were kind to me and my dear wife, Helen, who has passed on, and my dear sisters, also deceased."

Distant relatives were included in these gifts. Their benefactor has no immediate family.

The gift to the high school is to be a memorial to his sisters, Grace and Mina, and himself, all graduates of the school.

Punsters

"Any four-year-old is capable of making puns." It would seem a good idea to pass along this "important fact of life" to all adult punsters who exercise their misplaced sense of humor at the expense of other people.

First Quiz Master

The first quiz master was Romeo—remember, "I have a lady in the balcony."

U.S. Patent Office Grants Its 2.5 Millionth Patent

WASHINGTON. — The United States patent office has issued 2.5 million patents—almost 160 years after granting No. 1.

No. 1 was signed by George Washington. It went to Samuel Hopkins of Vermont on July 31, 1790, for a method of "making pot and pearl ashes," generally known now as potash.

Patent number 2.5 million was signed by John A. Marzall, a Chicagoan recently named patent commissioner. It went to Francis M. Lambert, Narbeth, Pa., for a quick-acting mechanism for latching doors, particularly applicable to watertight doors for ships.

Setting Wife on Hot Stove Gets Offender \$27 Fine

ATLANTA, GA. — The official recorder wasn't having any part of letting the man get away with a crime like that—setting his wife on a hot stove.

Roy Turner, 50, was accused by Mrs. Turner of setting her up on a hot stove and holding her there.

"I haven't been able to lie down since it happened," she told A. W. Callaway, court recorder.

Callaway couldn't find any ordinance covering the offense, so he fined Turner \$27 for assault and battery.

Bruises

Bruised fingers frequently result from being caught by doors, windows, screens, etc. Children should be warned against this hazard and especially against being caught behind the hinges of doors. Bruises on the head are often the result of insufficient head-room in cellars, on stairways, etc. This is a matter to be considered when building a house.

Be Speedy with Shellac

As shellac sets very fast, it must be applied rapidly in straight strokes back and forth, working toward the finished section to avoid laps.

Check Child's Hearing

Typical childhood diseases like measles, mumps, scarlet fever, diphtheria, meningitis and influenza, can bring on hearing conditions, which, unless given immediate medical attention, will result in permanent deafness. Parents should have their children's hearing checked after these childhood illnesses.

Snake Charmers

A snake charmer could play his musical instrument like an angel, but he would not get a rise out of his snake if he did not have rhythm. Snakes have no external ears, and cannot hear sound waves in the air. They react only to the charmer's swing and sway.

Save Poultry House Labor

The poultry litter problem involves storing and cleaning. Blow straw into the loft at threshing time. In multiple-story houses, use a chute for removing dirty litter for upper floor right into the manure spreader.

Cut Counter-Clockwise

When a lawn is mowed counter-clockwise the clippings are thrown to the left, into the path of "the next time around." As a result, the clippings are chopped finer and drop out of sight around the grass roots.

Pie Wedge

A stainless steel pie wedge has been developed to hold pie filling in place after one or more places have been cut.

Madison-River Ironmaster

Henry Burden of Troy, New York, was a prominent ironmaster and inventor during the mid-1800's. Among his most important inventions were the "squeeze" for puddled iron, and a horseshoe making machine. Burden horseshoes were highly coveted during the Civil war by Confederate commanders.

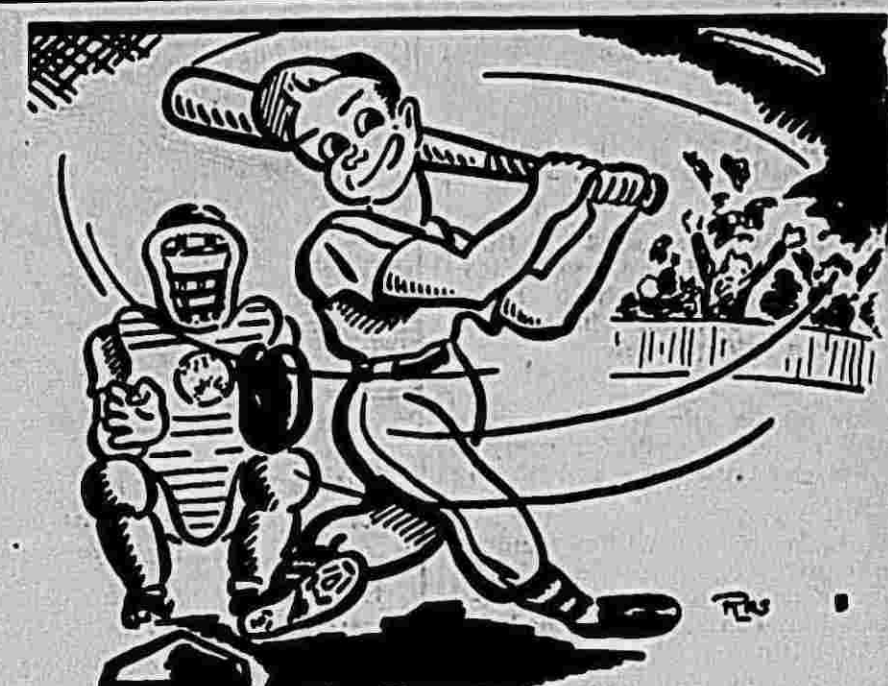

Big Game

Among North American big game, only deer can be called abundant, and black bear, elk, and antelope said to be in relatively good position. Moose and caribou have become scarce. Grizzly bears are a rarity. Woodland caribou in the United States can be counted on one's fingers and toes.

Diabetic Workers
About 250,000 diabetics are in the labor force in the United States, and the number is growing from year to year. Studies show that the work record of diabetics in industry is generally satisfactory as compared with non-diabetics. The increase in the number of employed diabetics reflects their gains in longevity, and also that, thanks to insulin, few diabetic children now die of the disease, but grow up to become productive members of society.

Tip for Painter
When painting an area that formerly was stained and varnished, the surface should be sanded and wiped with a lintless cloth saturated in turpentine before the under and finish coats of paint are applied.

Odor-Free Coffee
One sure way to make coffee completely free of foreign odors or taste is to use any one of the enameled coffee makers now on the market. Made of non-porous glass fused onto sturdy steel, such utensils cannot absorb or transfer odors.

Use Market Reports
The farmer who follows the market reports day by day is usually the first one to know of any changes which could benefit him in the marketing of his products.
That is the reason many farmers consider market reports so valuable.

Licking Envelopes
Envelopes and other gummed articles should not be licked for the purpose of sealing them. The tongue may be cut when wiped along the edge of the paper. If the tongue is used for this purpose it should be merely pressed against the gum in several places.

Paint Workers
Working in the actual production of paint, its merchandising and application are more than 500 thousand people.

Log Sawing Record
A French woodsman in Quebec recently established a world's record by sawing through a 10-inch peeled spruce log in 7.2 seconds.

ADJUDICATION AND CLAIM DAY NOTICE

Notice is hereby given to all persons that the first Monday of August, 1950, is the claim date in the estate of Mary Hallwas, Deceased pending in the Probate Court of Lake County, Illinois, and that claims may be filed against the said estate on or before said date without issuance of summons. All claims filed against said estate on or before said date and not contested, will be adjudicated on the first Tuesday after the first Monday of the next succeeding month at 10 A. M.
Harry C. Hallwas, Executor.

Edward C. Jacobs, Attorney
Post Office Building
Antioch, Illinois.
June 22-29, July 6.

NOTICE
If ten assessment payments are in arrears on any Cemetery Lot, the Title of said Lot will revert to the Antioch Hillside Cemetery Association.

A thirty day redemption period following the receipt of the above notice in writing, will be allowed each Lot owner before action is taken.

Antioch Hillside Cemetery Association (48-50c)

LEGAL NOTICE

STATE OF ILLINOIS } ss.
COUNTY OF LAKE }
To James Belch
and
unknown owner or owners.

You and each of you will hereby please take notice that Henry Troester of 5319 Manila Ave., Chicago, Cook County, Illinois, the undersigned, did on the 8th day of November A. D. 1948 purchase at tax sale the property hereinafter described, at a cost of \$127.96 and did receive thereupon a certificate of sale No. 180, Vol. 2, page 62, for General taxes A. D. 1947 said certificate bearing the signature of Jay B. Morse, County Clerk of Lake County and Guy O. Lunn, Treasurer and Ex-officio Collector of Lake County, state aforesaid and dated Nov. 8th, 1948, bearing also the official seal of the County Court, thereof.

That said certificate of sale and said purchase of property was taken in the name of Henry Troester aforesaid, and at the time of said purchase the said property was taxed in the name of James Belch without address.

That the property covered by said certificate and said sale is known and described as follows: Lot 8, Block 6 in Jas. Belch's Ashwoods Glens, Lake County, Illinois, and is unimproved.

That the period of redemption from said tax sale expires on Nov. 8th, 1950.

That the undersigned shall upon failure to redeem from said sale, make application for a tax deed.

Dated at Antioch, Lake County, Illinois this twenty-ninth day of June, 1950.
Henry Troester,
Certificate Holder
Clinton A. Thompson
Attorney at Law
Antioch, Illinois

DEBT DISCLAIMER—On and after this date, June 22, 1950, Harry Bairstow, Sr., Harry Bairstow, Jr., and Robert Levendowski, will not be responsible for any debts contracted by anyone other than themselves. Harry Bairstow, Sr., 1820 Norwood St., Chicago, Ill. (47-9c)

MILLBURN

Rev. L. H. Messersmith has chosen the title "Responsibility of Free Men" for the sermon at the morning worship service at 11 o'clock Sunday, July 2.

Sixty-six children were enrolled the first day of Vacation Bible school Monday, June 26. There are six teachers, Mr. and Mrs. Messersmith, Mrs. Verlon Groves, Mrs. Milford Elsbury, Mrs. John Haisma, and Mrs. Chalmers Wooley. Forty attended the cooking de-

monstration sponsored by Millburn Unit of Home Bureau and held in the Gas Hospitality House in Waukegan Wednesday, June 21.

Mr. and Mrs. Fred Hughes and James Grant, of Racine, were over night guests at the Ed Hoffman home Saturday night.

Miss Jean Gonyo, daughter of Mr. and Mrs. Howard Gonyo, of Thomas' Corner and Mr. Norman Rudy, of Chicago, were married in Millburn church Saturday afternoon, June 24, at 2 o'clock by Rev. L. H. Messersmith. The reception was held in the Vikings Home in Gurnee, after which the couple left for a trip through the west to the Black Hills. They will make their home in Chicago.

Karen and Bonnie Truax, of Waukegan, spent the weekend with their grandmother, Mrs. Ida Truax. Mr. and Mrs. William Agricola, of Gurnee, spent Sunday afternoon at the Oscar Neuhous home.

Donna Barbara and Kenneth Kane, of Diamond Lake, spent four days with their grandparents, Mr. and Mrs. J. S. Denman, while their parents, Mr. and Mrs. Earl Kane, Jr., attended the wedding of Mr. Kane's brother, Roland in Clarksburg, West Virginia.

Miss Josie Mann and Mrs. Bertha Newman were weekend guests of

Miss Margaret Gilbert in Waukegan. Glen Hauser spent the weekend at the home of his brother, Ray Hauser in Stephenson, Mich.

Mr. and Mrs. Frank Edwards spent Saturday evening at the John Edwards home in Libertyville.

Joanne Petty, of Urbana, Ill., is spending two weeks with her grandparents, Mr. and Mrs. Leslie Bonner. The annual meeting of the Congregational churches in Lake County will be held in Grayslake Sunday, July 9.

Mr. and Mrs. Elmer Hauser and son, Dennis, have moved to the apartment on Doolittle's farm on Route 173.

Leslie Bonner, who was a patient in Michael Reese hospital in Chicago since May 25, returned home Thursday.

Mr. and Mrs. A. N. Truax and son, Charles, of Elkhorn, Wis., were dinner guests at the Roy Bonner home Sunday.

Mr. and Mrs. Gordon Bonner spent Sunday afternoon with Mr. and Mrs. Robert Bonner at Kansasville, Wis.

Mr. and Mrs. Eric Anderson and daughter, Rebecca, spent Sunday afternoon at the home of Dr. W. G. Bauman in Barrington.

Rev. and Mrs. L. H. Messersmith returned home Friday after three

weeks with relatives in Farnam, Nebr.

Thirty-six people attended the Couple's Club picnic held in the church basement Sunday. Mr. and Mrs. Carl Anderson and Mr. and Mrs. Will Bonner were in charge of arrangements.

Of the Fourth of July Holiday...

SELECT YOUR HAM AT A & P!

A&P

Customers' Corner

Did you ever notice that the wrapper on each quarter pound of A&P butter is marked off, for your convenience, in teaspoons, tablespoons and cups?

That's just one of the little extras that make A&P butter the best buy.

We buy top quality butter.

We package it for your convenience.

We price it low.

If our butter, or any other dairy product, ever fails to measure up to your most exacting standards, please write:

Customer Relations Department
A&P Food Stores
420 Lexington Avenue
New York 17, New York

Whether you're going in for an outing or planning to spend the Fourth of July at home, you can make short work of your marketing for the big day at your thrifty A & P!
